TENDER TEXT

Toilet brush holder with closed front, opened on one side to remove brush, consisting of wall holder and cover hood, mountable by means of vertical twist so that the visible side is closed, drip pan can be removed for cleaning, brush rod and housing made of blue-green coated stainless steel, RAL 5021, replaceable brush head made of black plastic, four-point mounting, including mounting materials, for surface mounting

DIMENSIONS

H x W x D	283 x 100 x 116 mm (without handle)
H x W x D	448 x 100 x 116 mm (with handle)
Weight	1,3 kg

APPLICATION AREAS

Designed for universal use, including in public areas that are heavily frequented and at risk of vandalism: airports, stadiums, eventhalls, restaurant and food service industry, universities, nightclubs, communal buildings, shops, chambers, offices, theatres, cinemas, hotels, spas, etc.

MOUNTING TIP

To avoid hindering the cleaning of critical areas around the toilet seat, the toilet brush holder should be mounted on the wall but not hinder the user. To ensure the toilet brush is also actually used, it should be accessible to a user standing in front of the toilet seat by stooping slightly.
