## TENDER TEXT

Waste bin with 25 litre volume, black coated stainless steel, RAL 9005, basic design rectangular with bevelled edges, with interior bag holder for hidden application of the waste bag, rubber foots for slip-protection, unlock and unfold the housing for emptying, four-point mounting, including key and mounting materials, for wall mounting

## DIMENSIONS

| | |
|---|---|
| H x W x D | 431 x 265 x 224 mm |
| Weight | 5,4 kg |

## AREAS OF APPLICATION

Designed for universal use, including in public areas that are heavily frequented and at risk of vandalism: airports, stadiums, eventhalls, restaurant and food service industry, universities, nightclubs, communal buildings, shops, chambers, offices, theatres, cinemas, hotels, spas, etc.

## MOUNTING TIP

Because people are often in a hurry and tend to avoid detours, waste bins should be mounted/placed underneath the corresponding paper towel dispensers and between basin and door. We recommend mounting it to the wall with a minimum distance of 15 cms to the ground to facilitate cleaning.
