TENDER TEXT

Waste container with 80-liter capacity, black coated stainless steel, RAL 9005, rectangular shape with rounded edges, with internal bag holder for concealed attachment of the waste bag, four-point mounting, including mounting hardware, for surface mounting or freestanding use

DIMENSIONS

H x W x D	791 x 306 x 331 mm
Weight	10.4 kg

AREAS OF APPLICATION

Universally applicable, even in public, high-traffic, and vandal-prone areas: airports, stadiums, event venues, restaurants, universities, night-clubs, municipal buildings, shops, law firms, offices, theaters, cinemas, hotels, spas, etc.

MOUNTING TIP

People are often in a hurry and avoid detours. Therefore, install paper towel dispensers and corresponding waste bins, ideally stacked on top of each other and along the direct route between the washbasin and the exit.
