### TENDER TEXT

Flap for horizontal table installation with panel, for dropping waste into waste container below, self-closing by springs, brushed stainless steel with stainless steel hinges, fastening by screw lugs inside, four-point fastening, for built-in mounting

### DIMENSIONS

|                           |                   |
|---------------------------|-------------------|
| H x W x D                 | 54 x 330 x 180 mm |
| H x W x D (visible)       | 2 x 330 x 180 mm  |
| H x W x D (built-in)      | 52 x 274 x 156 mm |
| W x D (cut-out dimension) | 275 x 157 mm      |
| W x D (discharge opening) | 245 x 105 mm      |
| Weight                    | 0,7 kg            |

### AREAS OF APPLICATION

Can be used in public areas with a moderate number of visitor and vandalism prone areas: restaurants, schools, universities, municipal buildings, hospitals, doctors' offices, nursing homes, stores, law firms, offices, theaters, cinemas, hotels, wellness, etc.

### MOUNTING TIP

People are often in a hurry and avoid detours. Install the paper towel dispenser above the waste bin and if possible on the direct route between wash basin and exit.
