TENDER TEXT

Toilet paper dispenser for three standard rolls, brushed stainless steel, transparent powder-coated to prevent fingerprints and tarnishes, with side slots for checking fill level and tracking the next roll, integrated holding brace for the second roll while the first roll is being unwound, empty cardboard tubes fall down out of the dispenser, filled from above, with cylinder lock, four-point mounting, including mounting materials and key, for surface installation.

DIMENSIONS

H x W x D	423 x 116 x 148 mm
Roll diameter	115 - 130 mm
Weight	3.4 kg

APPLICATION AREAS

Universally applicable in semi-public areas with moderate visitor frequency and risk of vandalism: offices, chambers, shops, staff toilets, gyms, hotels, etc.

MOUNTING TIP

Toilet paper dispensers should preferably be installed on the right as seen from the toilet seat. It should be easily within reach of both arms while seated. Investigations have shown that paper consumption falls considerably the deeper the dispenser is fastened to the wall.
