AIR-WOLF disinfectant and soap dispenser, 0.5 liter
Aluminium coated white, stainless steel spout, art. 35-658

art. 35-656

art. 35-658

MOUNTING TIP

Soap and disinfectant dispenser should be mounted above the washing table or above a shelf or dript tray to avoid liquids dripping on the floor. The dispenser should also be positioned in a way that the refilling works easily.

MATCHING WASHING LOTION/ DISINFECTANT

Suitable washing lotions and disinfectants can be found in our current catalog with the currently valid prices or on our homepage www.air-wolf.de
