TENDER TEXT

Toilet brush holder, container, inner container and brush rod made from matted stainless steel, inner container removable for cleaning, replacement brush head (Art. 62-851) made from black nylon, with covered mounting, including mounting materials, for surface installation.

DIMENSIONS

H x W x D	400 x 89 x 139 mm
Weight	1,1 kg

APPLICATION AREAS

Universally applicable in semi-public areas with moderate visitor frequency and risk of vandalism: offices, chambers, shops, high-end restaurants, staff toilets, hotels, etc.

MOUNTING TIP

To avoid hindering the cleaning of critical areas around the toilet seat, the toilet brush holder should be mounted on the wall but not hinder the user. To ensure the toilet brush is also actually used, it should be accessible to a user standing in front of the toilet seat by stooping slightly.
