AIR-WOLF

TENDER TEXT

Towel roll dispenser with self-cutting function, for towels with outside pull, mechanically operated without batteries, brushed stainless steel, with standard lock, refilled by folding down the cover, four-point mounting, mounting materials included, for wall mounting

DIMENSIONS

H x W x D	383 x 306 x 236 mm
Paper size L x W	240 x 210 mm
Weight	6,45 kg

AREAS OF APPLICATIONS

Universally usable, also in public, strongly frequented and vandalism-endangered areas: airports, stadiums, event halls, food service industry, universities, nightclubs, communal buildings, shops, law offices, office buildings, theaters, cinemas, hotels, spas etc.

MOUNTING TIP

People are often in a hurry and avoid detours. Install the hand towel roll dispenser above the waste bin and if possible on the direct route between wash basin and exit.
