Hygienic waste bin with 6 litres volume, with attached sanitary bag dispenser for approximately 50 paper waste bags, bin and wall mount made of brushed stainless steel, hidden lock for removal of the container for emptying and cleaning, with folding lid on top, antitheft securing through hidden allen lock, removal of the container only with opened lid, four-point mounting, including mounting materials, for wall mounting

DIMENSIONS

H x W x D 325 x 212 x 184 mm
 Weight 4,1 kg

APPLICATION AREAS

Designed for universal use, including in public areas that are heavily frequented and at risk of vandalism: airports, stadiums, eventhalls, restaurant and food service industry, universities, nightclubs, communal buildings, shops, chambers, offices, theatres, cinemas, hotels, spas, etc.

MOUNTING TIP

The installation position preferred by women, seen from the toilet seat, is to the left, around knee-height and should be within easy reach of both hands of the user. The distance between the floor and the lower edge of the container should be at least 20 cm to avoid obstruction while cleaning the floor.
