AIR-WOLF

TENDER TEXT

Paper towel dispenser for up to 600 folded paper towels, fillable with all standard folded paper towels, especially with C- or V-folding, brushed stainless steel, with fill level display, paper outlet made of ABS plastic, suitable for kitchen roll paper, with back plate, front plate can be folded down to fill up, with metal lock, including key and mounting material, four-point mounting, for surface installation

DIMENSIONS

H x W x D	350 x 275 x 130 mm
Weight	3.65 kg

APPLICATIONS AREAS

Universally applicable, even in public, high traffic and vandalism prone areas: airports, stadiums, concert halls, restaurants, schools, nurseries, universities, clubs, community buildings, hospitals, shops, offices, theaters, cinemas, hotels, wellness, laboratories etc.

MOUNTING TIP

People are often in a hurry and avoid detours. Install the paper towel dispenser above the waste bin and if possible on the direct route between wash basin and exit.

ACCESSORIES

Stainless steel adapter in order to use paper towels with Interfold-folding (Art. 37-740).

PAPER TOWELS

You can find matching paper towels with C- or V-folding in our current catalogue with the currently applicable prices or visit our website www.air-wolf.de
