TENDER TEXT

Waste bin with 50 litre volume, brass-colored coated stainless steel RAL 5021, basic design rectangular with bevelled edges, with interior bag holder for hidden application of the waste bag, rubber feet for slip-protection, unlock and unfold the housing for emptying, four-point mounting, including key and mounting materials, for wall mounting

DIMENSIONS

H x W x D 661 x 265 x 280 mm
Weight 8,9 kg

AREAS OF APPLICATION

Designed for universal use, including in public areas that are heavily frequented and at risk of vandalism: airports, stadiums, eventhalls, restaurant and food service industry, universities, nightclubs, communal buildings, shops, chambers, offices, theatres, cinemas, hotels, spas, etc.

MOUNTING TIP

Because people are often in a hurry and tend to avoid detours, waste bins should be mounted/placed underneath the corresponding paper towel dispensers and between basin and door. We recommend mounting it to the wall with a minimum distance of 15 cms to the ground to facilitate cleaning.
