Matt anodized aluminum, stainless steel spout, Art. 35-451

AIR-WOLF disinfectant and soap dispenser, 1,0 liter  
White coated aluminum, stainless steel spout, Art. 35-453

Art. 35-451

Art. 35-453

### MOUNTING TIP

Mount the soap and disinfectant dispenser directly above the washbasin, a shelf or drip tray, if possible. In this way, liquid dripping from your hands cannot cause any risk of slipping on the floor. The dispenser should also be positioned so that it can be conveniently refilled.

### MATCHING LOTIONS

Matching washing lotions and disinfectants can be found in our current catalog with the currently valid prices or on our homepage [www.air-wolf.de](http://www.air-wolf.de)
