TENDER TEXT

Toilet paper dispenser for two standard rolls, white coated stainless steel, RAL 9003, with side slots for level indicator and tracking the upper roll, integrated holding brace for the second roll while the first roll is being unrolled, empty cardboard tubes can be pulled off the dispensing slot, refilled by folding down the cover, rounded top to prevent objects being put down, with standard lock, four-point mounting, including mounting materials and key, for wall mounting

DIMENSION

H x W x D	277 x 117 x 130 mm
Roll diameter	max. 110 mm
Weight	1,70 kg

APPLICATION AREAS

Designed for universal use, including in public areas that are heavily frequented and at risk of vandalism: airports, stadiums, eventhalls, re-staurant and food service industry, universities, nightclubs, communal buildings, shops, chambers, offices, theatres, cinemas, hotels, spas, etc.

MOUNTING TIPS

Toilet paper dispensers should preferably be installed on the right as seen from the toilet seat. It should be easily within reach of both arms while seated. Investigations have shown that paper consumption falls considerably the deeper the dispenser is fastened to the wall.
