TENDER TEXT

Toilet paper dispenser for 2 household rolls, stainless steel matt black coated, RAL 9005, with side slots for filling level control and tracking of the next roll, filling from the front by folding down the front, integrated holding clip for the second roll while the first roll is unrolling, empty cardboard tubes are removed from the bottom of the dispenser, rounded top to prevent waste from being deposited, with unit lock, four-point fixing, including fixing material and key, for surface mounting

DIMENSIONS

H x W x D	277 x 117 x 130 mm
Weight	1.7 kg

APPLICATION AREAS

Universally applicable, also in public, highly frequented and vandalism-prone areas: Airports, stadiums, event halls, gastronomy, universities, discotheques, municipal buildings, retail stores, law firms, offices, theaters, cinemas, hotels, wellness, etc.

MOUNTING TIP

Toilet paper dispenser should be mounted preferably on the right side, as seen from the toilet seat. It should be easily accessible with both arms when seated. Studies have shown that the lower the dispenser is mounted on the wall, the lower the paper consumption.
